P.C. :

1. From the report submitted by the Scrutiny officer of ICSW dated July 20, 2005, it appears that doubt was raised as to on the basis the medical officer of the Institute has recorded the birth weight of the child as 2.750 kg. That position has now been explained by the Institute vide its letter dated 12/8/2005. Explanation seems to be plausible. In the circumstances, as no other objection is raised or forthcoming and all other compliances are made,

order in terms of Judge’s Order.
